

Direct Entry Nursing Prerequisite Course Verification Form

Please complete this Prerequisite Course Verification form and email it to Grad.Docs@unh.edu. All prerequisites must be completed prior to Spring entry into the DEMN Program. Applicants are to have completed all the prerequisite course requirements at the time that an application is reviewed, otherwise the application is not considered complete by the Nursing Department. If there are questions or concerns about this form please contact the Nursing Department directly. Please note that these prerequisites are expected to have been passed with a grade of B or better.
