

## Oral Presentation Tips

- **UNH Connors Writing Center Support for the Oral Presentations**  
[Check out the Center's new web page packed with great resources for presenters in Oral Sessions!](#)
- Presentations are 12 minutes long with 3 minutes for questions and answers
- Projectors and laptops are provided by the GRC

## Posters

- The Graduate Research Conference (GRC) provides both easels and black poster boards in two sizes: large - 40" X 60" and small - 32" X 40" for the following events:

## Research Poster Tips

To view online documentation and resources to guide you through the process of assembling your poster in PowerPoint, visit the University's [Research Poster page](#) through Web Solutions. There you will find links to documents on:

- [Building a Poster Using PowerPoint](#) (A detailed, multi-page guide on making a poster using PowerPoint)
- [Tips on Making a Poster: A Baker's Dozen](#) (Quick targeted tips for making your poster more effective and visually pleasing)
- [Last-minute Check](#) (What to check before sending your file to print...)

## Printing Posters

We are hoping to provide a list here of places to get your poster printed. You can get the poster printed over at the MUB Copy Center as well.
